2. Nothing herein contained shall impose any obligation on the part of the Board to disclose any information which may be classified as privileged and/or confidential.

B. Whenever any representative of the Association or any employee is mutually scheduled by the parties to participate during working hours in negotiations, grievance procedures, conferences, or meetings, he/she shall suffer no loss of pay.

ARTICLE III

NEGOTIATIONS PROCEDURES

A. 1. Parties agree to enter into collective negotiations pursuant to Chapter 123, Public Laws of 1974, in a good faith effort to reach agreement on all matters concerning the terms and conditions of employment for all employees for whom the Association is authorized to negotiate.

B. Either side shall have the right to utilize the services of consultants in their deliberations.

C. The negotiations teams shall consist of no more than seven (7) members.

D. At the conclusion of each negotiation session, there shall be a mutual drafting of any tentative agreements reached with a copy signed and retained by both parties.

E. Counter proposals submitted by either side shall be in writing, with a copy or copies left in the hands of the other side. This provision may be waived by mutual consent.

F. Whenever a tentative agreement is reached upon any provision to be incorporated into the Agreement, the parties shall endeavor to have said agreement reduced to writing, and incorporated as part of the final draft of the Agreement to be entered into between the parties and approved. Whenever a tentative agreement is reached upon the completed contract, a memorandum of agreement will be drafted.

G. It is understood and agreed between the parties that negotiations contemplate a complete agreement to be signed by the respective parties. In the event that either of the parties do not receive authorization to execute this complete Agreement, no part of it, although negotiated and agreed upon, shall be deemed to have a binding effect.

H. This Agreement shall not be modified in whole or in part except by an instrument in writing executed by duly authorized representatives of the Board and Association.

ARTICLE IV
GRIEVANCE PROCEDURE

A. DEFINITIONS

1. The term "grievance" as used herein means any controversy arising over the interpretation, application or violation of Board policies, administrative decisions, or this agreement, which affects the terms and conditions of employment of an employee or group of employees.

2. The term "employee" shall refer to all individuals as set forth in Article I - Recognition.

3. The term "representative" shall include any organization, agency, or person authorized or designated by any employee or by any group of employees, or by a public employee association, or by the Board to act on its or their behalf and to represent it or them. The determination of the organization shall be as outlined in Chapter 123, P.L. of 1974.

4. The term "party" means an aggrieved employee, or group of employees, the immediate superior, the school principal or any staff member below the Superintendent who may be affected by the determination of the Superintendent in connection with the procedure herein established.

5. Whenever the term "Superintendent" appears in the procedure, it shall mean the Superintendent or his/her designee.

6. Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss this matter informally with any appropriate member of the administration, and having the grievance adjusted without the intervention of the Association.

7. The term "grievance" and the procedure relative thereto shall not be deemed applicable in the case of the failure or refusal of the Board to renew the

contract of a non-tenure teacher; in the matter of initial salary guide and initial salary step determinations and assignment of paraprofessionals; in matters of selection for promotion as it pertains to seniority of paraprofessionals; or in matters involving dismissal of probationary paraprofessionals. Neither shall the grievance procedure be invoked by any individual claiming tenure under the provisions of N.J.S.A. 18A:28-5 where charges have been brought against such individual pursuant to the provisions of the Tenure Employees Hearing Law, N.J.S.A. 18A:6-10 et seq. In such cases the procedure to be followed shall be that set forth in N.J.S.A. 18A:6-10 et seq.

In cases involving the withholding of increments pursuant to the provisions of N.J.S.A. 18A:29-14, a teacher affected by such action shall have the right to invoke the grievance procedure through the hearing before the Board. From the final determination by the Board, the method of review shall be that set forth in N.J.S.A. 18A:29-14.

As to secretaries, the grievance procedure shall not apply in matters where the Board or its representatives are without authority to act, according to law, or in matters of selection for promotion.

B. PROCEDURE - PERSONNEL

1. An aggrieved employee shall institute action under the provisions hereof within forty-five (45) calendar days of the occurrence complained of. Failure to act within said forty-five (45) day period shall be deemed to constitute an abandonment of grievance. An employee shall have the right to have a representative at any level of the grievance procedure.

2. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

3. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced upon mutual agreement of all parties, so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

4. Level One - An employee shall first present the grievance in writing to the immediate supervisor or to the administrator whose actions have given rise to the grievance. In the event that an aggrieved employee has any question as to who is the immediate superior, the Superintendent of Schools shall be asked to make the determination. The immediate superior shall hold a hearing within five (5) calendar days from the date that the grievance was filed. Where the immediate superior is below the rank of Principal, the Principal shall be notified and shall have the right to be present at and to participate in said hearing. A decision shall be rendered within seven (7) calendar days of the date of said hearing.

5. Level Two - If the grievance is not resolved to the employee's satisfaction within seven (7) calendar days, or if no decision is forthcoming in seven (7) calendar days, then within seven (7) calendar days from the determination date referred to in Paragraph 4 above, the employee shall submit his/her grievance to the Superintendent of Schools, in writing, specifying:

- a. The nature of the grievance;
- b. The results of the previous discussion; and
- c. The basis of his/her dissatisfaction with the determination.

A copy of the writing called for in Paragraph 5 above shall be furnished to the school principal, the immediate superior of the aggrieved employee, and the Association.

6. Within fourteen (14) calendar days from the receipt of the written grievance, the Superintendent shall hold a hearing at which all parties in interest shall have a right to be heard. This time may be extended by mutual consent.

7. Within fourteen (14) calendar days of said hearing (unless a different period is mutually agreed upon), the Superintendent shall, in writing, advise the employee and his/her representative, if there be one, of his/her determination and shall forward a copy of said determination to the school principal and to the immediate superior of the aggrieved employee.

8. In the event of the failure of the Superintendent to act in accordance with the provisions in Paragraph 6 and 7 or, in the event a determination by him/her in accordance with the provisions thereof is deemed unsatisfactory by either party, the dissatisfied party, within fourteen (14) calendar days of the failure of the Superintendent to act, or within fourteen (14) calendar days of the determination by him/her, may appeal to the Board of Education, unless a different period is mutually agreed upon.

9. Where an appeal is taken to the Board, there shall be submitted by the employee the writing set forth in Paragraph 5, and a further statement in writing setting forth the employee's dissatisfaction with the Superintendent's action. A copy of said statement shall be furnished to the Superintendent, the adverse party, and the Association.

10. If the employee, in his/her appeal to the Board, does not request a hearing, the Board may consider the appeal on the written record submitted to it, or the Board may on its own, conduct a hearing, or it may request the submission of additional written material. Where additional written materials are requested by

the Board, copies thereof shall be served upon the adverse parties who shall have the right to reply thereto. Where the employee requests, in writing, a hearing before the Board, a hearing shall be held.

11. The Board shall make a determination within thirty (30) calendar days from the receipt of the grievance and shall, in writing, notify the employee, his/her representative (if there be one), the principal, and the Superintendent of its determination. This time period may be extended by mutual agreement of the parties.

12. In the event the Association is dissatisfied with the determination of the Board, the Association shall have the right to request binding arbitration pursuant to rules and regulations established by the Public Employment Relations Commission, under the Provisions of Chapter 123, Laws of 1974. Said request may be made only when the grievance alleges specific violations of this Agreement, including past practice, and concerns mandatorily negotiable terms and conditions of employment. All other grievances shall end at the Board level.

The authority of the arbitrator shall be subject to the following:

a. He/she shall have no authority to modify, add to, subtract from, or in any ways whatsoever alter the terms and provisions of this Agreement.

b. He/she shall be bound by the decisions of the Commissioner of Education of the State of New Jersey, the decisions of the Courts of New Jersey, and all New Jersey Statutes.

13. A request for arbitration shall be made by the Association no later than thirty (30) calendar days following the determination of the Board. Failure to file within said time period shall constitute a bar to such arbitration unless the Association and the Board shall mutually agree upon a longer period of time within which to assert such a demand.

14. In the event of arbitration, the costs of the arbitrator's services shall be shared by the Board and the Association.

15. In the event a grievance is filed by an employee who is not subject to the jurisdiction of any principal or who may be answerable to more than one principal, he/she shall discuss his/her grievance initially with the Superintendent and, if dissatisfied with the determination, may appeal to the Board in accordance with the provisions herein set forth.

16. Neither party will permit its members or agents to take reprisals against members of the other party in the exercise of the rights and privileges provided for in this article, nor will either party condone the taking of any such action by any of its members or agents.

17. All documents, communications, and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in a personnel file of any of the participants.

18. All meetings and hearings under this procedure shall be conducted in private and shall include only such parties in interest and their designated or selected representatives heretofore referred to in this Article.

C. PROCEDURE - BOARD

1. The Board shall have the right to institute a grievance against the Teaneck Township Education Association for alleged failure to abide, insofar as legally possible, by the terms and conditions of this agreement, as such terms and conditions relate to the contractual responsibilities of the Association only.

2. The Board shall institute action under the provisions hereof within forty-five (45) calendar days of the occurrence complained of, or within forty-five (45) calendar days after the Board would reasonably be expected to know of its occurrence.

3. The Board or its representative shall meet within ten (10) calendar days with the Executive Committee of the Association. In the event that the grievance is not resolved, the Board may request binding arbitration within twenty (20) calendar days thereafter pursuant to rules and regulations established by the Public Employment Relations Commission. The parties shall be bound by the rules and regulations of the Public Employment Relations Commission.

ARTICLE V

PROMOTIONS AND NEW POSITIONS

A. Promotional positions are defined as being those positions paying a salary differential; in the case of employees employed as Paraprofessionals, employment in any position to be filled by members of the Association not employed as Paraprofessionals; and/or positions on the Administrator-Supervisory levels of responsibility, and/or new positions defined as those with job concepts not presently existing in the Teaneck Public Schools.

B. Promotional positions for teachers and paraprofessionals shall be adequately publicized by the Superintendent in accordance with the following procedures:

1. When school is in session, notices of vacancies and promotional and/or new positions shall be posted in each school as well in advance as is reasonably possible, setting forth the qualifications for the position, its duties, and its rate of compensation.

a. Employees who desire to apply for such vacancies shall submit their application in writing to the Superintendent within the time limits specified in the notice, and the Superintendent shall acknowledge properly, in writing, receipt of such application.

b. Where the position requires specific certification, the teacher interested in applying for the position shall indicate his/her qualifications in his/her application.

2. During the summer months when school is not in session, employees who desire to apply for promotional and/or new positions which may be filled during the summer period when school is not regularly in session, shall

submit their names to the Superintendent, and the address where the applicant can be reached during the summer.

a. Notices of vacancies and promotional and/or new positions shall be sent to each employee who has submitted their name to the Superintendent along with information provided for under Section B.2.

b. The Superintendent shall notify the employee of any vacancy in the positions for which they desire to make application. Such notice or notices shall be sent as far in advance as is reasonably possible.

c. In addition, the Superintendent shall within the same time period post a list of promotional and/or new positions to be filled during the summer period at the principal's office in each school, and a copy of said notice shall be given to the Association.

C. All qualified employees shall be given reasonable opportunity to make application, and no position shall be filled until all properly submitted applications have been considered.

D. All applications received from qualified employees within the announced time limit shall be reviewed by the Superintendent or his/her designee, before the name of his/her nominee is submitted to the Board of Education for approval.

E. All applicants will be notified by letter as to whether or not they are the successful candidates.

F. SECRETARIAL EMPLOYMENT OPPORTUNITIES

1. In all cases where secretarial services are to be hired for which an employee might qualify, the vacancy shall be advertised first throughout the school system. Instructions for making application and the deadline date for the applications will be included with each notice, and a copy of the notice shall be forwarded to the President of the Association. In no case will the deadline date

be less than five (5) working days from the date of distribution of the advertisement. In making the selection of a candidate for any position, present employees shall be given preference over applicants from outside the Teaneck School system if qualifications are comparable. The parties recognize that the ultimate responsibility for making all appointments rests with the Board of Education and agree that it is the obligation of the Board to fill all vacancies with the best qualified personnel.

2. Summer Employment

Any ten (10) month secretary who is interested in summer employment shall notify the Human Resource Management office in writing of such interest no later than May 15th and shall specify the dates of his/her availability. Thereafter, if a secretarial opening should develop during the summer, the Board will select the most qualified available person for the position and in the event of equal qualifications, shall utilize the concept of seniority within job classification. It is expressly understood and agreed that the Board's selections pursuant to the foregoing provisions are not subject to the grievance procedure of the Agreement.

ARTICLE VI
EMPLOYEE ASSIGNMENTS

A. TEACHERS

1. Every reasonable effort shall be made to give all teachers written notice of their teaching assignments for the forthcoming year by no later than June 15th.

2. Teachers employed after the first week of May, shall be informed of their teaching assignments as soon as practicable after said date of employment.

3. In the event that changes in the assignments are required after June 15th, the teacher affected shall be notified promptly in writing within one (1) week of the change of the assignment.

4. Teachers shall not be involuntarily assigned to more than one in-district travel movement per day.

B. PARAPROFESSIONALS

1. On or before May 15th of each school year, the Board shall notify each Paraprofessional employed on or before the preceding September 1st, in writing, that the Paraprofessional will be:

- a. Employed for the subsequent school year, OR,
- b. Not employed.

2. Such notification shall be done, subject to the following conditions:

a. That the Association and the Board have negotiated, approved, and ratified a contract for the subsequent school year not later than March 1st, or are in the midst of such negotiations on March 1st;

b. That such notification shall not restrict the Board's right to subsequently establish or abolish positions, assign or re-assign personnel,

subject to the terms of this contract, and to so notify the affected Paraprofessionals within a reasonable time after taking such action.

ARTICLE VII

EMPLOYEE OBSERVATION AND EVALUATION

A. GENERAL

1. Observation and evaluation of the work performance of an employee shall be conducted openly and with the full knowledge of the employee. Such on-the-job evaluations shall include only school related activities and responsibilities.

2. All situations involving hearsay shall be thoroughly investigated by the administration. At the time the administration decides to investigate, the employee shall be notified in writing of the specific allegations made against him/her. The hearsay shall not appear in any evaluation nor shall it influence an evaluation unless the investigation substantiates the hearsay. The employee shall have the right of representation by the association for the duration of the investigation. If a written report results from the investigation, the employee shall have the right to reply in writing and to have this reply appended to the report.

3. Information regarding the performance of an employee obtained by an administrator as the result of an on-the-job observation by another administrator may be included in an annual evaluation and shall not constitute hearsay.

4. The provisions of the above Paragraph 2 are intended to apply to those cases where a complaint may be used in connection with evaluating an employee, but shall not be deemed applicable with reference to any complaints that may result in the determination by the Board to forward charges which may be made against an employee to the Commissioner of Education for processing in accordance with the Tenure Hearing Act set forth in the provisions of Title 18A.

5. No material derogatory to an employee's conduct, service, character, or personality, shall be placed in his/her personnel file unless the employee has had an opportunity to review the material, and in those cases where derogatory material comes from sources other than the administration, only after a thorough investigation. The employee shall acknowledge that he/she has had the opportunity to review such material by affixing his/her signature to the copy to be filed along with a notation, if appropriate, that a written reply is attached, with the express understanding that such signature in no way indicates agreement with the contents or assent to its inclusion in his/her personnel file. Teachers shall be evaluated in accordance with the educational laws and regulations of the State of New Jersey, as may be amended from time to time.

6. The Board shall not establish any separate personnel file unless it is available for the employee's inspection, with the exception of personal references solicited by the Board at the time of employment.

a. This provision shall not limit the Board's right to establish personnel files as may be required in the operation of the school system, with the understanding that such files will be available for the employee's inspection.

b. An employee shall have the right, upon request, to review the contents of his/her personnel files in the presence of a person authorized by the Board. After an initial review of the personnel files, an employee may request a second review of the files accompanied by a representative of T.T.E.A., N.J.E.A., N.E.A., B.C.E.A. or legal counsel.

B. CLASSROOM OBSERVATION AND EVALUATION

1. The Superintendent of Schools or his/her designee shall consult with the T.T.E.A. concerning any contemplated changes in the forms to be used for observation and evaluation of staff; provided, however, that final decisions

concerning the form and content of such evaluation and observation instruments shall rest in the sole discretion of management.

2. Each employee shall be provided, not later than November 1 of any school year, with a copy of the observation and evaluation form to be used during the course of that school year.

3. Forms promulgated pursuant to Sections B.1 and B.2 of this Article shall be used for the observation and evaluation of all negotiation unit members.

4. The teacher shall be furnished with a copy of any classroom evaluation within five (5) school days of the observation. The teacher shall have ten (10) school days from receipt of the evaluations to request a conference with the evaluator. Where both a teacher and evaluator agree that there has been an oversight, or mistake in fact in connection with any evaluation, said evaluation shall be rewritten to reflect the facts.

5. If the teacher objects to, or disagrees with the statement of his/her evaluation, he/she shall be allowed five (5) school days to append a written reply to the evaluation and a notation will be made on the evaluation that such a reply is in fact appended.

6. When the principal is not the evaluator, no evaluation shall be submitted to him/her or any supervisor while such conference, as outlined in B.4. above, is pending. The teacher shall have the right to dissent with any or all parts of the evaluation and to have his/her written dissent appended to the report at the time of the submission to the principal or other supervisor.

C. YEARLY EVALUATION

1. All criteria, including total school performance, for the annual evaluation of teachers shall be contained on a single form approved by the Superintendent of Schools.

2. Prior to the submission of yearly evaluations to the Superintendent of Schools, the administrator or supervisor writing the annual evaluation shall hold a conference with each teacher. Where both teacher and evaluator agree that there has been an oversight or a mistake of fact in any evaluation, said evaluation shall be rewritten to reflect the facts before submission to the Superintendent. If the teacher objects to, or disagrees with, statements in his/her evaluation, he/she shall be allowed five (5) school days to append a written reply to the evaluation and a notation will be made on the evaluation that such a reply is in fact appended. The evaluation shall not be forwarded without this reply. If the teacher does not reply within the allotted time, the evaluation shall be forwarded to the Superintendent on the sixth school day.

3. All teachers shall be required to sign completed evaluation forms but the signing of such forms shall not be deemed to signify an approval on the part of the teacher that the teacher assents to said evaluation. Where both teacher and evaluator agree that there has been an oversight or a mistake in fact in connection with an evaluation, said evaluation shall be rewritten to reflect the facts.

D. EVALUATION PROCEDURE - PARAPROFESSIONALS

1. Written evaluations shall be prepared by the Principal for each Paraprofessional staff member not later than May 15th of each school year. Prior to preparing the written evaluation, the Principal shall, in applicable situations, confer with the teacher with whom the Paraprofessional staff member is working regarding their work performance. Each Paraprofessional staff member shall receive a copy of his/her written evaluation.

2. A Paraprofessional staff member may request and shall be granted a conference with his/her Principal to discuss the evaluation. Such a conference shall be granted within ten (10) working days.

3. The employee is required to sign his/her evaluation form at the time he/she receives his/her copy. Signing does not signify approval. Only completed evaluation forms shall be presented for signature.

4. The employee may make a written response to his/her evaluation or any part thereof. Such response must be made ten (10) working days after he/she has received his/her copy of the evaluation. A copy of the response shall be attached to each copy of the evaluation.

5. Evaluations shall become part of the permanent personnel file of each employee.

6. Evaluations shall be done for probationary Paraprofessionals staff members prior to the conclusion of their probation period. This is in addition to any other evaluation. This evaluation shall be part of the basis upon which a determination shall be made regarding the regular employment of the probationary employee.

7. The evaluations shall be a part of the basis upon which a determination shall be made regarding the employee's annual salary increment and/or adjustment.

E. EVALUATION PROCEDURE - SECRETARIES

Observations of the work performance of Secretarial personnel and shall be conducted openly by the Administrator in charge. The daily working contact and relationship between an Administrator and the employee shall constitute observations as used herein in this Article and Agreement.

1. Observations made by an Administrator shall be reduced to writing and given to the employee on or before June 1. The employee shall be given a copy of any such observation and subsequent evaluations made therefrom. Employees with less than three (3) years of service shall have a minimum of one (1) written evaluation each year.

2. An employee may request and shall be granted a conference with the Administrator in charge to discuss his/her evaluation. Such a conference shall be granted within ten (10) working days. Each employee shall be required to sign the evaluation form. Signing does not signify approval. Only completed evaluation forms shall be presented for signature.

3. The evaluation forms shall be placed in and comprise a part of the personnel folder of each employee.

4. Annual evaluations, or semi-annual evaluations in the case of secretaries with less than three (3) years experience, shall be in writing, shall be a composite of periodic observation and evaluation, and shall be granted within a reasonable period of time a conference to discuss his/her evaluation. The employee may request and shall have the right to have a representative of the Association participate in this conference to review and discuss his/her evaluation. In all cases, the employee shall be required to sign the evaluation. Such signature shall not signify the approval of the evaluation.

ARTICLE VIII

EMPLOYEE FACILITIES

A. Within budgetary appropriations and within physical limitations, suitable and adequate facilities shall be furnished for the use of employees.

B. Whenever it is alleged by the employees that the facilities are inadequate or unsuitable, the Association shall present to the Board a written statement of the respects in which it is alleged that facilities are neither suitable nor adequate and the corrective action it desires to have taken.

C. 1. If the action requires an expenditure of funds, the corrective action shall be taken as expeditiously as possible provided funds are available.

2. If funds are not available, suitable notations shall be made of the requests, and the Board, in connection with the preparation of the next budget, shall give due consideration to the inclusion in said budget of the funds deemed necessary to establish the requested facilities.

D. A serviceable desk and chair shall be provided for the use of each teacher.

E. Teachers shall be furnished with copies, exclusively for their use, of all texts used in each of the courses the teacher is required to teach during the time the teacher is teaching said course.

F. A dictionary shall be provided for every classroom if requested.

ARTICLE IX

SCHOOL CALENDAR AND WORK YEAR

A. The calendar adopted by the Board for the school year shall be shown as Schedule A. The teacher work year (working days) shall not exceed one hundred eighty-seven (187) days, to be scheduled between September 1 and June 30, inclusive, except as stated in paragraph C below. Two (2) days of the teacher school year shall be used for programs to satisfy State in-service requirements. Those two (2) days may be scheduled at any time during the school year, and may be scheduled in half-day increments. When those in-service days are scheduled on regular Monday staff meeting days, the in-service day programs may be combined with staff meeting time and may run until 5:30p.m. The combination of in-service day programs and staff meeting time may be done up to four (4) days per year. The Board may schedule the teacher work year (working days) to be less than one hundred eighty-seven (187) days and such scheduling shall not be considered precedential and the Board may revert to a schedule not to exceed one hundred eighty-seven (187) days in succeeding years. During the school year, the Board may revise the schedule of teacher working days so long as the said revisions do not exceed one hundred eighty-seven (187) work days and provided that prior notice is given to the teaching staff.

B. The teacher work year shall commence no earlier than September 1, except that newly hired teachers may be required to work up to three (3) days in the last week of August for orientation and/or professional development purposes.

C. TEACHER PROFESSIONAL DEVELOPMENT

1. Up to two (2) additional teacher workdays per year, beyond the 187 day work year, may be scheduled for all teachers, or for a designated portion of the teaching staff, for staff and/or curriculum development activities.

2. The Board of Education shall provide a sufficient amount of in-service training and staff development work to allow teaching staff members to satisfy their professional development obligations under the New Jersey State Department of Education regulations.

3. Such workdays may be scheduled between September 1 and June 30, but shall be scheduled at the beginning or end of the school year. Alternative scheduling may be implemented only with the consent of the teachers involved.

4. The individual employee shall have the option of either receiving payment for such days, at the non-student summer hourly rate, OR receiving credit for the training in satisfaction of the State mandates.

5. In the event that such workdays are scheduled, the affected teachers shall be given notice at least 90 days prior to workdays scheduled for June, and at least 120 days prior to workdays scheduled for September.

D. Teachers will receive their final June regular paycheck on the last day of attendance except those teachers who, for some reason, must have adjustments made to their paycheck or are to receive some form of supplemental pay or who have not completed their obligations, in which case those teachers shall receive their paycheck when the adjustments have been made, or the supplemental paycheck has been prepared, or when said obligations have been completed.

E. The work year of Paraprofessionals shall coincide with the teacher work year as outlined in Paragraphs A-C above.

F. HOLIDAYS AND VACATION FOR TWELVE (12) MONTH NON-CERTIFICATED STAFF

1. There shall be fifteen (15) paid holidays per year. The holiday schedule shall be that established by the Board after consultation with the Association. No changes shall be made once the holiday calendar is adopted except after discussion of proposed change between the Association and the Board. The Board reserves the right of final decision on holiday calendar.

2. Earned vacation time for twelve (12) month contracted non-certificated personnel will be calculated in accordance with the following:

a. A complete year of employment is defined as a calendar year beginning and ending on the individual's current employment anniversary date, i.e., the anniversary date for a person employed on November 1st would be November 1st each year.

b. A working month is defined as a calendar-month during which a person is actively employed on the fifteenth (15th) of the month. A person whose contract employment date is after the fifteenth (15th) or, a person who terminated employment before the fifteenth (15th) will receive no earned vacation for that calendar month.

c. Credit for a complete year of employment and/or a working month for the purpose of calculating earned vacation time is earned as a function of time, and is not affected by the length of an individual's work day or work week, i.e., whether the person is full-time or part-time. Earned vacation time for part-time positions shall be in the same relationship as the part-time weekly work hours are to full-time weekly work hours, e.g., a half-time person would earn one-half the full-time person's vacation.

d. During the first four (4) complete years of employment (first 48 working months), full-time twelve (12) month contracted non-certificated

personnel will be entitled to earned vacation at the rate of .833 days for each working month; i.e., ten (10) days per complete year of employment.

e. During the next three (3) complete years of employment (working months 49 through 84), full-time twelve (12) month contracted secretarial personnel will be entitled to earned vacation at the rate of 1.25 days for each working month; i.e., fifteen (15) days per complete year of employment.

f. Starting with the eighth (8th) complete year of employment (85th working month), full-time twelve (12) month contracted secretarial personnel will be entitled to earned vacation at the rate of 1.667 days for each working month; i.e., at the rate of twenty (20) days per complete year of employment.

g. At the annual preparation of the vacation statement the third (3rd) decimal position accruing from monthly crediting of earned vacation accounts will be rounded off to the second decimal position; the second position being raised by one when the third position is five or more and third position being dropped if it is a four or less. All earned vacation time for full-time personnel shall be read to the second decimal position with the third position used for breakage accrual and rounding. For example, earned vacation of 9.996 days would be rounded off to 10.00 days; 20.004 days would be rounded off to 20.00 days.

3. Non-certificated personnel may take earned vacation time at any time, subject to the approval of their immediate superior; provided, however, that vacations will not be approved two weeks before the start of school nor one week prior to the end of school.

a. Non-certificated personnel entitled to earned vacation time must take this time not later than June 30 of the second year after it has been earned and credited, on July 1, to a secretary's vacation account. This earned vacation

time not taken by the end of this second year shall be permanently lost and the time shall be deducted from the secretary's vacation account.

b. For example, personnel who have earned vacation time for the 2004-05 *year*, and which time was credited to his/her account on July 1, 2005, must take all of the 2004-05 earned vacation time not later than June 30, 2007.

4. Personnel taking earned vacation time may receive on the last working day prior to the vacation their salary check for any pay period occurring during the vacation period, provided such salary checks are already prepared.

5. In the situation of an employee who dies, earned vacation time shall be calculated through the date of death. Salary payment for any earned vacation time shall be made to the employee's estate.

6. Non-certificated personnel who quit or are discharged for cause during their first calendar year of employment shall not be entitled to earned vacation time.

ARTICLE X

If, in the opinion of the Superintendent, an abuse exists, a doctor's certificate may be required of the individual in order to receive salary for the period of such absence.

D. DISABILITY INSURANCE

2. If an unusual situation results in an absence after 6:30 a.m., personnel must contact their school/office to report the absence and promptly discuss with the building principal/supervisor as soon as that individual's duties are resumed.

3. When reporting absences, individuals will report include the date(s), the reason(s) indicate whether or not a substitute is required and parking space number, if any.

4. If illness necessitates leaving the building/office during the day, individuals will report this to the principal/supervisor, who will, in turn, notify Human Resources to record the absence in AESOP.

B. REIMBURSEMENT REGULATIONS

In order to avoid salary deductions because of absence, all personnel will be required to fill out properly a Report of Absence which will be submitted periodically by the Business Office.

4. Whenever all teachers are authorized to leave early due to inclement weather or other emergency situation, secretaries shall be dismissed no later than thirty (30) minutes after the last teacher has left. In order to be eligible for compensation at the substitute rate, the teacher paraprofessional must have recorded his/her certification with the Department of Human Resources Management prior to the start of the school year, or immediately after receiving certification, and must also give written notice of his/her preference to be compensated at the substitute teacher rate.

6. All extra duties for which a stipend, differential, or hourly rate is provided pursuant to Schedules B, C, or D, shall be assigned by formal Board action. 5. If a secretary, administrator or Association feels a position deserves a change in classification, said secretary, administrator or Association is encouraged to communicate said view to the Board for consideration.

6. It is expressly agreed that the salary regulations set forth in Schedule D-6 shall not apply to secretaries. Rather, the salary regulations set forth in Schedule D-7 shall be applicable to secretaries only.

ARTICLE XV

EDUCATIONAL CREDIT PAYMENT PLAN

A. The Teaneck Board of Education, in order to implement its philosophy of encouraging educational improvement, will pay the cost of approved educational credits taken by teachers at an accredited institution, subject to the following:

1. Courses to be taken and institutions to be attended must be approved by the Superintendent of Schools prior to registering for these courses. If a teacher finds that the approved courses' registration is closed, he/she may obtain approval by telephone from the Superintendent for an alternate course.

2. Upon completion of a course(s), a transcript must be submitted to the Office of the Superintendent of Schools indicating satisfactory completion of the course. Failure to achieve a passing grade shall negate the payment, and the teacher shall, within forty-five (45) days after notification of a failure to achieve a passing grade, promptly reimburse the Board for the payment made on the teacher's behalf. Teachers who have reimbursed the Board as aforementioned shall be paid upon satisfactory completion of previously incomplete or failed course(s) provided this is accomplished within one (1) year of the original incomplete or failure. In no event shall there be any duplication of payment for the same course(s).

3. A teacher who fails to complete a course for which reimbursement has been received will be ineligible for further tuition reimbursement for the next two years unless the teacher:

a. submits a medical certification of inability to complete the course; or

b. completes the course within the immediately succeeding two semesters.

4. Attendance at a graduate program shall not interfere with the Teaneck School Calendar or teaching duties. The Superintendent will establish a deadline by which those applicants shall submit requests for approval of courses prior to registering for those courses. Available funds for the Educational Credit Payment Plan shall be distributed equally between all staff members whose course applications have been approved by the Superintendent. However, no employee shall receive more than the actual tuition cost for the course(s). Payment may not be used to cover registration fees, books or other costs.

5. The maximum payment made by the Board under the terms of this Article shall not exceed Eighty Thousand Dollars (\$80,000) for the summer semester, Eighty Thousand Dollars (\$80,000) for the fall semester and Eighty Thousand Dollars (\$80,000) for the spring semester. No course payment shall be approved for teachers who apply after the aforementioned total expenditure has been allocated. If any part of the \$80,000 for summer courses and/or the \$80,000 allocated for fall courses is not expended, it shall be carried over and made available for distribution in the subsequent periods, including an inter-session between the spring and summer semesters. No tuition reimbursement money shall be carried over into the next budget year.

6. The cost of courses not completed, or which will be completed after resignation from the school system, shall be borne by the individual who shall reimburse the Board or have an equivalent payroll deduction.

7. Courses taken to obtain full State certification in the field for which the teacher is employed, shall not be eligible for payment under the provisions of this Article.

8. No course payment shall be made to any teacher with less than ten (10) months continuous service in the Teaneck School System. Effective September 2006, only teaching staff members who have completed twenty (20) months of continuous service shall be eligible for tuition reimbursement. The fee shall be 85% of the regular unified membership dues, fees and assessments.

2. The majority representative shall provide thirty (30) days advance written notice to the Board the information necessary to compute the fair share fee for services enumerated above.

3. Any challenge to the fair share fee assessment by an employee shall be filed in writing with the Public Employment Relations Commission, the Board and the majority bargaining representative in accordance with law.

C. PART-TIME EMPLOYEES

1. For the purpose of this Article, part-time employees are defined as those individuals who work less than one-half the schedule of full-time employees.

2. Part-time employees will pay a pro rata fair share fee as may be provided in the Constitution, By-laws or rules and regulations of the bargaining unit representative and/or its affiliated organizations.

D. CHALLENGE ASSESSMENT PROCEDURE

The majority representative agrees to establish a procedure by which non-member employees in the bargaining unit as defined in Article 1 can, in accordance with law, challenge any assessment.

E. DEDUCTION OF FEE

No fees shall be deducted for any employee sooner than:

ARTICLE XIX
HOURS AND TEACHING LOAD

A. GENERAL

1. The voluntary approach for attendance at evening meetings will be used. The teachers agree to continue the policy of meeting with parents on an individual basis at mutually agreeable times.

2. All teachers should consider attending three (3) evening functions per year as part of their responsibility. Problems in this area will be worked out between the building principal and the T.T.E.A. representative in each school.

3. Both parties recognize the need for adequate time for teachers to eat lunch and a forty-five (45) minute lunch period shall be the goal for secondary teachers. In any event, the lunch period shall be a minimum of thirty (30) minutes.

In accordance with present practices, elementary teachers shall have a duty-free lunch period of the same duration as the students. Elementary teachers shall have a duty-free lunch period of no less than forty-five (45) minutes in duration.

4. Membership on school and/or system-wide committees shall be voluntary and the time shall be determined by the committee members unless otherwise specified in this contract. Time spent on these committees in excess of the thirty-five and one-half (35 1/2) hour work week will not be compensated.

5. Teachers with responsibility for conducting extra-curricular programs carrying additional time commitments shall be reimbursed according to Schedule C.

6. Teachers may leave the building without requesting permission during their scheduled duty-free lunch periods. During preparation periods, a teacher shall also be allowed to leave the building after notifying the office.

7. The notice of, and agenda for, any meeting shall be given to the teachers involved at least three (3) days prior to the meeting, except in an emergency. Teachers shall have the opportunity to suggest items for the agenda.

8. Preparation time is intended to be used by teaching staff members for the preparation of lesson plans (including, where appropriate, common planning activities), the correction of student work, meeting with students, by appointment, for extra help, senior project guidance (High School only), and any other educationally relevant purpose. Meetings with students during preparation time may be scheduled with the individual teacher by appointment. Provided that the tasks necessary to effective teaching are performed, including the responsibilities enumerated herein, it shall rest in the professional discretion of the individual teacher as to how any particular preparation period shall be used, subject to the following exceptions:

a. Teachers may be directed to participate in parent conferences, if scheduled by appointment, during preparation periods if it is not possible to schedule such conferences at any other time. The teacher shall be informed of and consent to the time for such an appointment before it is confirmed with the parent ; and

b. Teachers may be directed to meet with administrators for purposes of pre- or post- observation/evaluation conferences or for similar meetings relating to the evaluation of work performance. The teacher and the administrator may agree to hold such meetings before or after school rather than during a preparation period.

c. Consent to the scheduling of parent conferences shall not be unreasonably withheld; more specifically, in no circumstances may a teacher withhold consent on a blanket basis in order to avoid meetings during preparation time, whether with a specific parent or with all parents generally.

d. Teachers may be required to participate in in-service activities during preparation time not more than (4) times per year and shall be given at least 2 days notice of such assignments.

9. The Board shall have the right to establish staggered schedules to permit the scheduling of instructional classes outside of the regular school day, provided that teachers assigned to such staggered schedules are scheduled for a workday and workload not in excess of the limits established in other provisions of this Article, and further provided that such staggered assignments shall not begin more than one (1) hour before the start of the regular school day nor end more than one (1) hour after the end of the regular school day. Except as hereinafter provided, teachers shall only be assigned to a staggered schedule on a voluntary basis.

a. December 1 of each school year, the Administration shall give notice to middle school and high school staff of the courses that will be offered in the following year on a staggered schedule basis and request volunteers for those courses. Individuals wishing to volunteer shall give written notice by

December 23. In the event that there are an insufficient number of qualified volunteers, the Administration may thereafter assign teachers to those courses on an involuntary basis. Formal notice of all assignments, voluntary and involuntary, shall be provided not later than June 15 in accordance with Article VI.A.1.

b. No teacher shall be involuntarily assigned to a staggered schedule more than once if there is a teacher in the same building who:

i. is qualified as determined by the Administration on the basis of certification, background and prior experience; and

ii. is available, that is, without assignment to other duties during the same time period; and

iii. has not been involuntarily assigned once.

Five (5) of these meeting hours shall be used when in-service day programs are linked to after-school meeting times pursuant to Article IX.A. Meeting time may be used for the evaluation of Senior Projects up to a maximum of three (3) days per year.

3. Meetings referred to in Paragraph C.2 above shall not exceed one and three-quarters (1 3/4) hours in length. Three (3) days prior notice shall be given to all affected teachers for all meetings referred to in Paragraph C.2; however, one week's prior notice shall be given to all affected teachers for any meeting extending beyond one (1) hour in length. In the case of an emergency, meetings not to exceed one hour in duration may be held without the prior notice requirements.

4. The number of clock hours of classroom teaching or related assignments for secondary teachers will not exceed twenty-six (26) and no classroom teacher shall be assigned more than five (5) regular (five (5) days a week) classes, except as provided in Section D, below. Exceptions to these can be made only at the teacher's request or in emergency situations. b. The librarians will each receive one (1) preparation period per day.

c. All other secondary school personnel not covered in (a) or (b) above will be guaranteed fifteen (15) minutes relief time per day.

7. Secondary teachers will not be required to teach more than two (2) disciplines or more than three (3) preparations unless by mutual agreement between the teacher and the administration.

8. Teachers assigned to a sixth (6th) period class for a full marking period or its equivalent shall be paid as part of the regular semi-monthly check. Assignments of a shorter duration shall be paid on a per diem basis. All such assignments shall be compensated at 20% of the employee's per diem rate.

9. During the coaching season, coaches will be available for extra help by special appointment either before school, during a preparation period or between the close of the school day and the commencement of coaching activity.

10. Teachers conducting field trips extending longer than the school day shall receive compensatory time from other than their twenty-six (26) hours of classroom or related assignments.

11. Field trips on other than school days shall be on a voluntary basis.

12. Teachers using their cars for official school business shall receive a per-mile allowance at a rate in accordance with the New Jersey Office of Management and Budget regulations.

D. BLOCK SCHEDULE IN HIGH SCHOOL

Notwithstanding any language to the contrary elsewhere in this Article, high school classroom teachers working under the "block" schedule shall be provided with one (1) full block period or preparation time on days when they are assigned three (3) blocks of instructional time, and one-half (1/2) block or preparation time on days when they are assigned two (2) blocks of instructional time. High school teachers assigned a full instructional load of five (5) classes per cycle shall not be scheduled for related assignments for more than ninety (90) consecutive minutes, or the length of a block, at a time. In the event that a Block schedule is adopted at the High School, classroom teachers, except as otherwise provided below, may be assigned an average of five (5) hours and twelve (12) minutes (5:12) per day of classroom teaching time or related duties over the course of the schedule cycle. Classroom teachers will not, except in special circumstances, be assigned more than five (5) teaching block periods over the course of two (2) days. If the Block schedule is not implemented, the normal instructional load will be no more than five (5) periods per day.

2. Teachers of Physical Education may be assigned up to three (3) instructional periods per day under the Block schedule. Additional teaching assignments shall be in lieu of duty assignments.

Any Paraprofessional may be assigned by the employer up to an additional one (1) hour per day, which shall be

compensated at the straight hourly time rate. Paraprofessionals that are assigned to bus duty in addition to the regular work day shall be paid a daily stipend of \$20, regardless of school or grade assignment.

2. The work week of part-time Non-Certificated staff shall be that established by the Board for the part-time position.

6. Except in the case of an emergency, the assignment of extra work time shall be subject to two (2) days' notice.

G. SECRETARIES HOURS & OVERTIME

1. Unless otherwise indicated in individual circumstances, which may be less than thirty-five (35) hours per week, the normal work week of secretarial employees shall be thirty-five (35) hours.

2. All overtime must be authorized by the Superintendent of Schools according to procedures established by the Superintendent.

3. Overtime shall be compensated at the rate of one and one half (1 1/2) times the employee's normal hourly rate of salary on Monday through Saturday, and double time for Sundays and holidays. The normal hourly rate shall be calculated by: annual salary divided by 1820 hours in the case of full-time personnel, or prorated equivalent in the case of part-time personnel.

4. Overtime will be defined as that period of time occurring before and after an employee's normal assigned working time, or any time on days when the employee is not scheduled to work.

5. No secretarial personnel covered under this Agreement shall have the right to authorize or require overtime, and there shall be no compensatory time allowed.

H. SECRETARIES COFFEE BREAK AND RELEASE TIME

1. Secretaries shall be granted a fifteen (15) minute coffee break away from the work station, provided that, in the judgment of the immediate supervisor, coverage for the work station is available at the time of the break. If coverage is not available, the secretary may bring coffee to the work station.

2. Release time for the purpose of conducting Association business may be granted to the President of the Association (if President of Association is a secretary or clerk) by the Superintendent of Schools in the exercise of his/her sole discretion.

I. SINGLE SESSION DAYS

When students are scheduled for single session days at the end of the school year, the Administration may schedule the afternoon session on those days for staff and curriculum development meetings; provided that the afternoons on at least two (2) of such single session days are left free for teachers to complete end-of-year "clean up" duties.

ARTICLE XXIII

AND BACK TO SCHOOL NIGHT

A. PARENT-TEACHER CONFERENCES

ARTICLE XXIV

ASSOCIATION RESPONSIBILITIES

A. The Association shall be responsible for acquainting its members with the provisions of this Agreement and shall be reasonably responsible for the adherence to the provisions of this Agreement by its members during the life of this Agreement.

B. It is the responsibility of the Association, its members and its representatives to carry out administrative directions regarding Board policies and administrative regulations, so long as such directions do not pose a clear and present danger to health and safety, subject to the understanding that the grievance procedure shall be available under the terms specified in Article IV - Grievance Procedure.

ARTICLE XXV

B. An employee shall be entitled to two (2) working days' written notice of any meeting with the Superintendent of Schools, the Board of Education, or a member of the Board of Education, which could affect the employee's employment.

ARTICLE XXVI

REDUCTION IN FORCE/RECALL/TRANSFERS

NON-CERTIFICATED EMPLOYEES

A. The abolishment of any Paraprofessional position(s) will be done by appropriate action of the Board of Education and the Association will be notified of such action within thirty (30) days.

B. A reduction in the number of Paraprofessionals will be in reverse order of employment based on employment date; i.e., the last person employed will be the first to be laid off.

C. The date of employment shall be the contract date that the employee began his/her current employment. Two separate seniority lists for Paraprofessionals shall be maintained, one for Special Education Paraprofessionals and one for Library/Primary Paraprofessionals.

D. The Board shall have the sole prerogative of assigning and reassigning Paraprofessional employees in order to facilitate a reduction in staff.

E. Vacant positions shall first be offered to regularly employed persons before being offered to persons on a seniority list.

F. If, within three (3) years from the date of layoff, there occurs a vacancy in a Paraprofessional position, either as a result of resignations or an authorized increase in the number of positions, said position(s) shall be offered to persons who have been laid off according to the following conditions:

1. Each seniority list shall be divided into two (2) categories; one list for full-time employees and one list for part-time employees. Said lists shall be periodically updated.

2. In order to be eligible to be placed on a seniority list for the purpose of this Article, an employee must have completed a minimum of (3) years of

service in the School District and must have received a satisfactory evaluation at the time of layoff.

3. A job offering will be made to the employee on the appropriate list with the greatest seniority. In the event that a vacancy exists in a category for which there is no recall list, an employee on the recall list in the other category shall have preference for reemployment.

4. In the event of refusal to accept the job offer, or if more than one position is to be filled, offering will continue to be made on the basis of greatest to least seniority until the position(s) is filled or the list is exhausted.

5. If an employee refuses to accept a position offered he/she will be deleted from the seniority list. He/she may request reinstatement to the list subject to the approval of the Board.

6. In the event more than one position is open at the time of offering, the employee with greatest seniority will have the choice of positions.

G. SECRETARIAL TRANSFERS

1. Notice of an involuntary transfer or reassignment shall be given to employees in writing at least four (4) days prior to such transfer or reassignment. If an involuntary transfer or reassignment is made, an employee's area of competence, length of service in the Teaneck School District as a secretary, length of service in the particular school building and other relevant factors will be considered in determining which employee is to be transferred or reassigned.

2. The parties recognize that the ultimate responsibility for making decisions concerning the transfer, assignment, or reassignment of employees, or with respect to related matters, rests with the Board and agree that it is the obligation of the Board to consider the qualifications of personnel in making such determinations.

3. a. Where an involuntary transfer is made to a lower rated position for a proper reason such as abolishment of a management position to which the secretary reported or a reduction in force, the secretary shall be paid at her then existing rate until the rate of the position to which she has been transferred is higher, and then she will receive the higher rate of the position to which she has been transferred.

b. If an involuntary transfer is made for any other reason, the secretary shall continue to be paid in accordance with her then existing pay scale.

c. The parties acknowledge the unlimited authority of the Board to make any and all decisions concerning the transfer of secretarial personnel. This authority is neither grievable nor arbitrable except as to the pay scale which shall apply for a secretary transferred under 3(a) or (b) above.

SENIORITY - SECRETARIES

In cases of dismissals to reduce the staff, the Board agrees to recognize the principle of seniority based on length of continuous service in one of the four classifications set forth in (3) below, but employees with seniority shall not be entitled to any job unless they have the ability and qualifications to perform the duties of such job. The employee with the least seniority in the classification affected shall be the first to be let go. The Association shall have the right to question and present as a grievance the Board's application of the seniority rule subject to binding arbitration. An employee designated for dismissal shall have the option of terminating employment or, in the alternative, shall have bumping rights into a lower classification provided that said employee has greater seniority and has the ability to do the work.

SCHEDULE D-7

SALARY REGULATIONS - SECRETARIES

1. The Superintendent of Schools or his/her designee will determine the appropriate placement on the guide.

2. Secretarial personnel presently employed in a position covered by this Agreement and transferred to another position covered under this Agreement will be transferred to the appropriate guide and step reflecting the next highest salary above that the secretary is presently receiving.

3. All future guide movements will be made in normal progression from the step of placement.

4. Salary guides are based on a twelve (12) month 261 working day year which includes fifteen (15) paid holidays and earned vacation time.

Ten month personnel work a 218 day year from September 1 to June 30 which includes an average of thirty (30) days off during that period and an average of 188 days actually worked.

In order to maintain equity of salary, holidays and earned vacation between ten and twelve month personnel, it is necessary to pro-rate holidays and earned vacation for ten month personnel and reflect this in the annual salary for individual ten month personnel. Such pro-rating shall be as follows:

A. $218 \text{ working days} - 261 \text{ working days} = .8352 \text{ factor}$

B. $\text{Twelve month guide amount} / 261 \text{ working days} = \text{per diem amount}$

C. $15 \text{ paid holidays for 12 month personnel} \times .8352 =$

$12 \frac{1}{2} \text{ paid holidays for 10 month personnel.}$

D. Earned Vacation: Years 1-4 $10 \text{ days} \times .8352 = 8 \frac{1}{2} \text{ days (Scale C)}$

Years 5-7 $15 \text{ days} \times .8352 = 12 \frac{1}{2} \text{ days (Scale B)}$

Years 8-up $20 \text{ days} \times .8352 = 17 \frac{1}{2} \text{ days (Scale A)}$

5. Ten/Twelve Month Vacation Transfer

Ten month personnel transferring to 12 month positions will have their position on the vacation schedule as 12 month personnel calculated by counting the number of complete years in the 10 month position $\times 10 / 12 =$ comparable years in a 12 month position for vacation schedule purposes.

Twelve month personnel transferring to ten month positions shall be entitled to any vacation earned while in the twelve month position during the school year. Such vacation time shall be determined according to the partial year formula and shall be taken while still occupying the twelve month position.

6. Nothing in this Agreement shall be interpreted as preventing the Board from granting additional compensation to a secretary for additional responsibilities delegated to the secretary as the result of a special or other than normal work situation. Such compensation shall not become a permanent addition to the secretary's salary and shall not be used to establish permanent "off-guide salaries."

7. The Association shall have the right to bring to the Board's attention, through the Superintendent of Schools, the names of secretaries who may qualify for such additional compensation. The decision of the Board regarding such additional compensation shall be final and binding and shall not be subject to the grievance procedure.

8. An annual longevity payment shall be added to the annual salary of those secretarial personnel who have completed the following number of full years of service. Such longevity payment shall only be made as of July 1, of each year. Less than full-time (12 or 10 month) personnel shall receive an appropriate pro-rated amount.
